City of Pickens Water Department
Pickens, South Carolina
Water Tap Application

Date ______________________ Number of Water Taps ________

Sewer taps are available only inside City Limits. Number of Sewer Taps ________

Name ____

Service Address ("911 address") ____

Telephone ________________________ Other telephone _______________________

Signature ____ Date ________________

LOCATION FLAG

Please place the blue WATER TAP flag on the roadside at the desired location for this water tap. Allow five (5) working days for our personnel to determine water availability. If the desired location is not possible, our personnel will move the flag to a suitable location and contact you about the new location.

WATER AVAILABILITY

Water availability is based on DHEC regulations. The City of Pickens will provide pressure of 25 psi or greater. It is the customer's responsibility to reduce or increase the pressure on his side of the service meter if same is desired and/or required. The City of Pickens assumes no responsibility for excessive or deficient pressure in the customer's service lines and facilities.

WATER TAP APPROVAL

We will call you regarding approval or disapproval. If this water tap is approved, we will reserve it for ten (10) working days. Payment must be made within that time period to secure it.

The City of Pickens takes pride in providing quality service to our customers.
When questions arise, please call us at 864-878-6421.
