April 9, 2025

For the month of March, 130 work orders were submitted to Public Works, all 130 of those work orders were completed with 25 new water customers set up for water service.

Business License received and completed 100 applications in March totaling $98,561.16 in revenue.

Hospitality tax collected in March are sales from the month of February. Gross receipts for February from inside city businesses were $2,804,396.36, Hospitality tax revenue from those sales in City limits was $57,653.60. Two citations were issued to local businesses for failure to report sales and tax including Wellhouse Nutrition and Street Tacos. We were successful in working with Wellhouse Nutrition to get them caught up to where they need to be and paid. Street Tacos has yet to be reported with a court date of April 10, 2025.
